DURACELL® COPPERTOP®

Duracell® Coppertop® batteries are engineered to deliver the power you need for your professional devices.

- Guaranteed for 10 years in storage.*
**Coppertop AA, AAA, C and D batteries.
Coppertop 9V batteries are guaranteed for 5 years in storage.*
- Long lasting, reliable alkaline power.
- Coppertop outperforms Procell batteries according to 2017 ANSI testing.
- Long lasting battery life = greater service life, lower operating expenses, and an increase in productivity due to less man hours replacing the batteries.
- Coppertop batteries can be used for increasing your productivity, emergency preparedness, inventory management, and safety devices.
- Coppertop batteries are great fit in Keepstock.
- Available in retail packs and economical bulk packs.
