

PRODUCT SPECIFICATION REPORT

Citrus Cleaner is a cleaner and degreaser designed to remove stubborn grease, oil, and grime from a variety of surfaces.

CITRUS CLEANER

General Purpose Cleaner

PROD. #0455

FEATURES/BENEFITS:

Versatile	May be used in a concentrated form for tough cleaning tasks, or mixed with water (up to a 10:1 dilution) to clean light to moderate soils
Non-Petroleum Solvents	Citrus based solvent provides excellent grease-cutting ability without the objections often associated with petroleum-based solvents
Pleasant Fragrance	Natural citrus solvent effectively cuts grease and grime, while leaving a pleasing citrus fragrance
Free-Rinsing	Formulated to promote quick and complete rinsing. Leaves no alkaline residues if adequately rinsed

APPLICATIONS:

Use Citrus Cleaner to clean countertops, porcelain, or stainless steel and also to degrease engines, tools, equipment, industrial floors, and machinery. Caution: Do not use on rubber, latex paint, marble, leather, or asphalt surfaces at any dilution. See label for further information on surface compatibility.

Recommended for use to office buildings, hotels & motels, service stations, equipment rental facilities, automotive repair facilities, manufacturing, and construction.
