

# Hirsh®

## Lateral Files

Whether you are looking to increase capacity or just need assistance getting organized, these efficient, high-volume lateral cabinets provide the best value for your filing and storage needs. Hirsh all-steel lateral files feature ball-bearing suspension for maximum drawer extension. For your safety, our laterals include an interlock system that allows only one drawer to open at a time. Counterweights are standard in all 2, 3, and 4 drawer units to meet ANSI/BIFMA stability requirements. Available in 30", 36", 42" wide, 2 to 5 drawer units. The full-width pull seamlessly integrates in any office environment.

### Lateral Features:

- Core removable lock
- Reinforced base construction
- Four adjustable leveling glides
- Two hang rails per drawer
- Dual lock bars
- Meets or exceeds ANSI/BIFMA
- Made with up to 30% recycled materials
- Limited lifetime warranty
