SAFETY IN YOUR HANDS

**SPRING-ACTIVATED
BLADE GUARD**

Spring-activated blade guard engages when cutting begins and **cannot be overridden**. Rounded-Tip Dual-Edge Safety Blade (RSKB-2) **eliminates punctures and damage** to carton contents.

**FIBERGLASS-
REINFORCED HANDLE**

Durable fiberglass-reinforced **handle** with non-slip grooves for a comfortable, secure grip. Top slide-activation allows for **right or left-handed preference**.

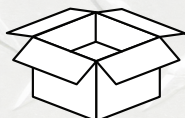

TETHERING LOOP

Easy, **tool-free blade changes** and loop for tethering and storage.
