

CP90

Heavy Duty Ratcheting Seal Clamp Pliers

**MAXIMUM
CLAMPING
POWER**

Make Secure Connections In Seconds

- Use with 1/4" to 5" clamp sizes
- Ratcheting action provides maximum leverage for making secure high-pressure connections
- Numerous applications including fuel lines, A/C lines, transmission lines and axle boots
- Heavy duty construction for lasting performance
- More effective than conventional clamp pliers

**Great For Large
Sized Clamps**

Ratcheting action for maximum clamping power

Works with single or double
ear 360° seal clamps
