FEATURES:

Innovation intertwined with safety. That's the DNA of the Helix® Series. The Helix® Series of gloves with Core9™ technology are tightly knit with strong, dexterous fibers that offers industry-leading, 360°, A9 cut protection and feels like a second skin without compromising durability. These hand-formed knit gloves feature consistent sizing and fit across the line, with a variety of palm coatings that can be used for everything from wet and oil situations to dry applications.
