

**BIG ASS FANS**

YELLOW JACKET®

The world's toughest fan takes whatever life throws at it.

WORLD-CLASS AIR POWER, RUGGED CONSTRUCTION

Yellow Jacket is your team's instant MVP—tough enough for heavy-duty abuse, designed for a quick hose-off after a hard day on the floor, and capable of cooling workers from a distance. Its ½ HP motor is energy efficient and quiet, and its OSHA-compliant cage can take a beating without ever putting people or materials at risk.
