

# Heavy Protection, Lightweight Comfort

## Breathable Eagle™ Polyurethane On Nylon Suit For All Day Comfort And Wear

The most lightweight and comfortable suit we make, Eagle Suit is made of 200 denier nylon and coated on inside with polyurethane.

- Breathable. Test method ASTM E96.
- Interior polyurethane coating and exterior DWR (Durable Water Repellency) coating for 100% waterproof protection.
- Generously cut to fit over the heaviest of work clothes.

### FEATURES & BENEFITS

- Raglan sleeve construction for comfortable fit
- Stitched and taped seams for 100% waterproof protection
- Storm fly front seals out wind, rain and contaminants
- Premium snap-lock suspender buckles
- Non-conductive, non-corrosive snaps and buckles
- Mildew resistant

With Tingley's polyurethane on nylon line, just because a suit is tough doesn't mean it has to be uncomfortable to wear.
