

Typical Adjustable Jack Mount Applications

Metal Processing Equipment

Lathes
Milling (Bridgeport) Machines
Presses – Small Mechanical
Saws
Shears & Brakes
Grinding Machines
Polishing Machines

Plastic/Rubber Processing Equipment

Injection Molding Machines
Granulators
Mills & Calenders
Material Handling Devices
Extruders

Printing & Paper Processing Equipment

Binding Machines
Printing Presses
Folding, Slitting, and Stapling Machines
Web Machines

Other Equipment

Inspection Machines
Woodworking Machines
Optical Devices
Compressors
Generators
Pumps
Motors
Transformers
