

HIGH PERFORMANCE INDUSTRIAL MARKERS

TRADES-MARKER®

TRADES-MARKER has the marking versatility of a paper-wrapped grease pencil combined with simple push-button advance that helps reduce cost and waste. This refillable, all-surface marker leaves a wear-resistant mark and is safe for all surfaces.

FEATURES & BENEFITS:

Great for many surfaces including: smooth, rough, rusty, or dirty surfaces

Marks are rub- and weather-resistant, leaving a bold, permanent mark

Marker refills eliminate mess and paper waste of grease pencils, saving time and money

Holder maximizes complete use of marker

Durable plastic holder helps prevent breakage and keeps hands and clothing clean

Push-button advancing makes for easy, one-handed use.

Convenient clip allows for pocket storage and prevents rolling off work table

Multiple colors available for easy identification

For low corrosion (low chlorides/halogens) applications, see [TRADES-MARKER - Low Corrosion Colors](#)

Made in U.S.A.

INDUSTRY USES:

Construction

Automotive and other transportation

Quality control

Welding

Metal fabrication

Textile industry

SURFACE USES:

Steel and iron

Pipes and tubes

Stone

Tile

Ceramic

Lumber

Cloth and fabric (textiles)

Glass

DETAILS:

96000 Assorted
96130 White Starter Pack
96131 Yellow Starter Pack
96132 Red Starter Pack
96133 Black Starter Pack

96137 Orange Starter Pack
96250 White Bulk Pack
96251 Yellow Bulk Pack
96252 Black Bulk Pack
96253 Red Bulk Pack
96259 Pink Bulk Pack

96240 White Refill Pack
96241 Yellow Refill Pack
96242 Red Refill Pack
96243 Black Refill Pack
96247 Orange Refill Pack
96249 Pink Refill Pack
