

GENESIS®
 The best handle in forged cutlery.
 A perfect blend of modern technology
 and finely crafted German steel.
 Limited lifetime warranty.

Full tang runs entire length of handle for superior balance

Ergonomic Santoprene® handle offers superior comfort and a non-slip grip, even with wet hands. Will not break down from exposure to kitchen oils and is able to withstand hot and cold temperatures

Bolster strengthens the knife, adds durability, and provides excellent balance for better handling when cutting "food" (Available in short bolster)

One-piece, fully forged construction for better strength and durability

High carbon, no-stain German cutlery steel resists rust, corrosion, and discoloration

Taper-ground edge allows for added stability, easy honing, long lasting sharpness and increased efficiency when cutting and chopping
