

## RENAISSANCE®

Mercer Cutlery's premier knife series is cutlery of unparalleled quality. Fine German steel, crafted for strength, durability, and long-lasting sharpness. The rebirth of a classic with extraordinary fit, form, and function. Limited lifetime warranty.

Full tang runs entire length of handle for superior balance

Triple-riveted, ergonomically designed Delrin® handle

Shortened bolster exposes full blade edge, which allows for easy resharpening

High carbon, no-stain, traditional German cutlery steel resists rust, corrosion, and discoloration

One-piece, fully forged construction

Taper-ground edge allows for added stability, easy honing, long-lasting sharpness and increased efficiency when cutting and chopping
