

Tactical Tomahawk – Black

Based on the Vietnam Tomahawk, the SOG Tactical Tomahawk is an extreme evolution of the original, which was considered one of the more unusual weapons of its day. Today, there is a real need for a versatile tool for breaching operations, excavation, obstacle removal, extraction, and other utility applications. The 420 stainless

steel head is mounted to the glass-reinforced nylon handle with heavy-duty bolts and a steel ferrule for additional handle reinforcement. Carried in a nylon sheath this is a universal tool for modern man.
