

SofPull™

A jumbo leap for bath tissue

Centerpull Tissue Dispensers

Innovation
Innovation

GP innovation-for a better experience

SofPull™ is the first bath tissue dispenser of its kind combining centerpull technology with one-at-a-time dispensing. SofPull innovation makes it easier than ever to get just the right amount of bath tissue – helping you to reduce waste, overhead costs and the spread of tissue-borne germs.

SofPull™

Pulling-edge technology for better restroom hygiene

Promote wellness with one pull

- Completely enclosed roll helps reduce cross-contamination from hand to hand
- Patented Centerpull nozzle delivers hygienic single-sheet dispensing
- Users only touch one fresh sheet at a time
- Helps eliminate unsanitary tissue trails hanging from open rolls

Rugged good looks

- Rigid, durable design stands up to heavy restroom usage
- Key lock helps prevent vandalism and makes reloading a breeze
- Sleek, clean, contemporary style enhances your image
- Choice of Splash Blue or Translucent Smoke
- Complements SofPull towel dispensers for a cohesive, modern look

High capacity, lower maintenance

- Fewer roll changes
- Translucent—easy to see when roll is low without opening dispenser
- Fits in stalls with single, side-by-side or stacked configurations

Helps reduce consumption, with improved comfort

- One-at-a-time dispensing helps cut consumption vs. jumbo roll tissue*
- No more over-usage from over-spinning the roll
- Larger, more generous sheet size than standard bath tissue
- Soft and thick, two-ply perforated sheets

Better for the environment

- 60 percent less packaging waste than jumbo roll cases*
- No outer carton—conserves paper and storage space
- EPA compliant for recycled fiber
- Packaged in poly
