

Deluxe Storage Cabinets

Our Premium Storage Cabinet

Tennsco Deluxe Storage Cabinets set the standard for quality, convenience and performance for over 30 years. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use. This cabinet uses heavy gauge steel throughout and 16 gauge steel for the door frame. The combination makes this cabinet a clear winner over lighter duty products. Choose from assembled or unassembled versions.

Adjustable Levelers & Knuckle Hinges

Two adjustable levelers compensate for uneven floors. For secure and smooth operation, Deluxe cabinets use four knuckle-hinges on each 78" high cabinet door and two on 42" high doors.

Double Handles

Two brushed chrome handles, with one that locks both doors, make door opening and closing easy.

Louvered Back Panel

Louvered back panel provides cabinet ventilation by allowing air circulation.
